

July 26, 2017

Dear DATV Member,

Each year DATV holds a lottery so that producers who use the studio may schedule their shows in advance. This will apply only to producers who use the studio for either recorded or live programs. This lottery does not affect producers who do not use the studio for their productions. This lottery is held in order to provide fair and equal studio usage for all DATV members. **You will not be required to attend this lottery.** Please complete and return the "Studio Lottery Request" to Dale Grow by **Monday August 14**. Only one program entry per producer is allowed. Completed studio request forms (live or taped) for the entire season must be submitted to Dale Grow by Monday, August 28, 2016.

The studio may be available Monday-Friday beginning at 9:00am and Saturday's beginning at 10:00am. You must be out of the studio one hour prior to closing. Additional times will be available for producers who do not do a show every month. **The studio schedule will be in effect from September 2017 through and including August 2018 not including holidays.** A program can only go "live" Monday-Friday from 7:00pm to 8:00pm. If studio usages are cancelled 2 months in a row, your studio time may be forfeited for others to use.

We hope this arrangement will help all producers plan their shows better.

Sincerely,  
Dale Grow  
Volunteer Coordinator
